| Ladies Nearest the Pin on the 11 th : | Gill Hill | Thorpe Wood | |
| Men's Nearest the Pin on the 16 th : | J Matthews | Spalding | |

Evening telegraph report:-

IT was a mixed bag at the Mixed Open as players from across the region made the trip to Thorpe Wood for a day of top quality golf.

In total 72 players from clubs as far flung as Knebworth and Matlock pitched up for the event but come close of play it was a team from just up the road at Milton Golf Club which walked away with top honours, but only just.

After 18 holes Helen Woollett and Peter Long just managed to snaffle the win with 36 stableford points on countback from runners-up, Mr and Mrs Rust from Gedney Gill.

The event was played in a greensomes format where both players in a team hit a tee shot before selecting the best ball of the two, which is then played alternately by each of the two players until holed.

And the format clearly produced some competitive scores round the long parkland course with the top four teams all finishing within a single point of one another.

Do Bagley, ladies secretary, said: "We have come to expect a high standard of golf for these events and as per usual we were not disappointed.

"The course was in wonderful condition which always amazes me because it is a public facility that gets an awful lot of use.

"This is testament to all the good work put in by the greenkeeping staff.

"The weather was also kind to us. All in all it was a cracking day and I would like to thank everyone who contributed to that, either as players or behind the scenes with the organisation of everything."
